Dear Mr. McMillan:

I recently read an account of your representation of Deanna Fogarty-Hardwick against the Orange County Department of Social Services. As both an elected member of the Oklahoma House of Representatives and a practicing attorney, I suspect that the Department of Human Services in Oklahoma is doing much the same thing. I am interested in both the initial stages of your case and its progression through trial.

I would welcome a call from you – perhaps your experience can help Oklahomans. The toll free number to my Capitol office is listed above.

Sincerely,

Terry Harrison  
State Representative  
District 18
